

RITE OF CHRISTIAN INITIATION OF ADULTS

CHRISTIAN INITIATION OF ADULTS

Archdiocese of Malta

take the journey of initiation into the Christian life

If you are not baptised...

The RCIA is an itinerary in 7 steps:

- 1 The **pre-catechumenate**: A period to meet, befriend and ask questions to a spiritual companion who will continue to journey with you as your **godparent**
- 2 The **Rite of Acceptance** as you become a **Catechumen**
- 3 The **Catechumenate** as a period of learning accompanied by **catechists** in a small group
- 4 The **Rite of Election** on the first Sunday of Lent, that starts the intense period of **purification and enlightenment**. You will be **presented** to the Church by your catechists and godparent, and will now be known as an **Elect**
- 5 Throughout Lent, you will participate in the **three scrutinies** and other rites for your final preparation before **the Archbishop** confers the sacraments of initiation
- 6 On the **Easter Vigil**, you will finally receive the **sacraments of initiation, Baptism, Confirmation and Holy Eucharist**
- 7 A period of **mystagogy** during the **Easter Season**, where you find your home in a parish community to continue walking together into the **Christian life**

If you are a Christian but not yet a Catholic...

You follow a similar path to catechumens, but that will be adapted to your particular formation needs

You will prepare to receive the sacrament of **Confirmation** and participate in the **Eucharist** as a **full member of the Catholic Church**

If you were baptised as a Catholic...

Your formation will be adapted to prepare you to full initiation by receiving the sacrament of **Confirmation**
